```

```
}
```

Output:

A screenshot of a mobile application's login screen. At the top is a status bar with a purple background, showing the time 11:17 AM, a signal strength indicator, a data speed of 3.1KB/s, 4G LTE signal, and a battery level of 48%. Below the status bar is a white login form. The form has two input fields: 'Username' and 'Password'. The 'Username' field contains the text 'Anto Joseph' with a red underline under 'Anto'. The 'Password' field contains six dots and a toggle icon (an eye) to its right. Below the password field is a link that says 'FORGET PASSWORD?'. At the bottom of the form is a black button with the text 'SIGN-IN' in white.

11:17 AM 3.1KB/s 4G 48%

```

Program no:21

Aim: Program to implement various SQLite operations : (INSERT, UPDATE ,DELETE ,SELECT)

XML Code:

```
<?xml version="1.0" encoding="utf-8"?>
<RelativeLayout xmlns:android="http://schemas.android.com/apk/res/android"
    xmlns:app="http://schemas.android.com/apk/res-auto"
    xmlns:tools="http://schemas.android.com/tools"
    android:layout_width="match_parent"
    android:layout_height="match_parent"
    android:padding="10dp"
    tools:context=".MainActivity">

    <TextView
        android:id="@+id/texttitle"
        android:layout_width="wrap_content"
        android:layout_height="wrap_content"
        android:layout_marginTop="20dp"
        android:text="Please enter the details below"
        android:textSize="24dp" />

    <EditText
        android:id="@+id/name"
        android:layout_width="match_parent"
        android:layout_height="wrap_content"
        android:hint="Name"
        android:textSize="24dp"
        android:layout_below="@+id/texttitle"
        android:inputType="textPersonName"
        />

    <EditText
        android:id="@+id/contact"
        android:layout_width="match_parent"
        android:layout_height="wrap_content"
        android:hint="Contact"
        android:textSize="24dp"
```

```

        android:layout_below="@+id/name"
        android:inputType="number"
    />
<EditText
    android:id="@+id/dob"
    android:layout_width="match_parent"
    android:layout_height="wrap_content"
    android:hint="Date of birth"
    android:textSize="24dp"
